Frequently Asked Questions

What are the costs to participate in the program?

Access to the full benefits of the mentorship program are included in your annual BOLD membership fee.

How long can I stay in the program?

Mentoring relationships last for 6-months, and you may enroll in the program as many times as you like.

How much time will the mentorship program require?

While the relationships last for 6-months, the time commitment will be based on what you and your mentor decide. Some participants like structured time commitments on a weekly basis, while others like a more casual relationship. You and your mentor can decide best once you discuss your career goals.

How are mentors assigned?

Once we receive your application, we will provide you with mentor profiles based upon your development goals. Once you decide on a mentor of interest, we will schedule a time for the both of you to connect (via phone or email).

What is the specific criteria to be a mentor/tee?

We prefer that mentors have relevant experience to share in the mentoring relationship and feel comfortable providing career development guidance. Anyone can be a mentee, no matter the experience level.

How do I get started?

Please email mentorship@growbold.com for an application. Once you complete your application you will be matched with available mentors/tees in the program.
